

## **Public Notice on an Application for Participation in Tier I of Green**

Pursuant to Section 299.83, Wis. Stats., the Department of Natural Resources (DNR) hereby gives notice that DNR has received an application for participation in Tier I of Green Tier from Edgewood College. Edgewood College is located at 1000 Edgewood College Drive in Madison, Wisconsin on 55 acres of land adjacent to Lake Wingra. The college educates its students about sound environmentalism while also applying these principles to campus improvements. Under Green Tier, Edgewood College will focus on waste minimization, energy use, recycling and water conservation.

### **Additional information available**

Specific information on this application for participation in Tier I of Green Tier, on Edgewood College and on the Green Tier program can be accessed via the Internet at: <http://dnr.wi.gov/org/caer/cea/environmental/comment/index.htm>

Reasonable requests for the information in an alternate format will be provided to qualified individuals with disabilities.

### **Opportunity for public to comment or request a public meeting**

DNR will accept written comments from the public regarding the application through Wednesday, July 26, 2006. Comments may be submitted to Kim McCutcheon (see above).

Also within the 30-day comment period, individuals may request a public informational meeting concerning this application by submitting a written request to the DNR contact. If DNR determines there is significant interest in this application, DNR will hold a public informational meeting.

### **How DNR will make final decisions**

DNR will determine whether the applicant has satisfied all of the eligibility requirements in sec. 299.83(3), Wis. Stats. If all eligibility requirements are met, DNR will approve this application unless doing so is not in the best interest of the Green Tier program. A decision by DNR to approve or deny an application for Tier I of Green Tier is not subject to review under state laws governing contested case hearings.
